

Website Update!

Have you checked out our new website? We are still in the process of fine tuning different pages and links but are very excited to offer a more efficient and intuitive online experience for our patrons. This new website was made possible by a grant for website development from the Kentucky Department for Libraries and Archives and Institute of Museum and Library Services. We look forward to serving you just as well virtually as we strive to do in person.

Reading Dragons Monthly Release

Our flaggerdoot of Jackalope went shopping in the cereal aisle. Charmy is magically delicious, and everyone is cuckoo for Choco! "A is for apple, J is for Jacks", screamed out our Apple Jax friend, and of course, we have a silly Jackalope Trix who is keeping his cereal away from the Pendleton County kids! Keep reading to earn more characters for your Reading Dragon Card Deck! Use your tracker to record your reading in 30 minute time slots. Then, Come into the library to select your trading cards. You can even complete a Reading Dragon QUEST to earn XP and Silver to get one step closer to that treasure from the Dragon Hoard. 2 new quests are released every month. Who knows what treasure you will find!

Staff Spotlight

Director's Day in the Life

As Director, Kelly oversees all of the different aspects of the Library including feeding the plants and watering the staff. Wait! That's not right. Kelly is sometimes kind enough to FEED the staff but doesn't have a green thumb so watering plants is left in more capable hands.

Kelly's days consist of meetings, Library administrative work, acting as the Library notary, and reaching out to the community in more ways than one. Kelly attends Rotary and Hunger Helpers meetings, is an active member of the Pendleton County Wellness Coalition, and is currently getting her bachelor's degree.

Board of Trustees Meeting
