## July Summer Reading Activity Kits

To Our Valued Patrons,

Throughout the COVID pandemic, we remained committed to serving our community and staying connected with our patrons. To achieve these goals, we began the monthly Activity Kits, which we are thrilled to hear have been well-received and enjoyed by many. Now, in the best interests of our community, we find it necessary to refocus our resources and have made the decision to **no longer distribute monthly Activity Kits after July.** This adjustment will provide us with the opportunity to expand our current program offerings at the Library and throughout our community. Thank you for your understanding and support. In the coming months, we look forward to seeing you at our many, varied live programs, including story hours, art/craft and paint programs, STEM activities, hang outs, Lunch and Learns, and more.

Sincerely,

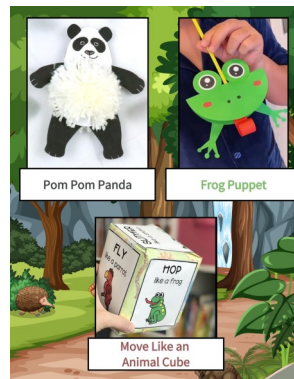

Your Staff at the Pendleton County Public Library
